The detailed justifications are as set out in the Corporate Governance Overview Statement.
- Proposed Renewal of Share Buy-Back Mandate**
 Ordinary Resolution 9 proposed under item 8 of the Agenda, if passed, will give the Directors of the Company authority to take all such steps as are necessary or expedient to implement, finalise, complete and/or to effect the purchase(s) of ordinary shares by the Company up to ten per centum (10%) of the total number of issued shares of the Company at the time of issue as the Directors may deem fit and expedient in the best interests of the Company. The authority will, unless revoked or varied by the Company in general meeting, continue to be in force until the conclusion of the next AGM of the Company or the expiry of the period within which the next AGM of the Company following the 50th AGM is required by law to be held.
 Please refer to the Statement to Shareholders dated 29 April 2022 for further information.

- Proposed Renewal of Authority under Sections 75 and 76 of the Act and the Constitution of the Company for the Directors to allot and issue shares**
 The Company had, during its Postponed 49th AGM held on 23 September 2021, obtained its shareholders' approval for the general mandate for issuance of shares pursuant to Sections 75 and 76 of the Act. As of the date of this notice, the Company did not issue any shares pursuant to this mandate obtained.
 Ordinary Resolution 10 proposed under item 9 of the Agenda is a renewal of the general mandate for issuance of shares by the Company under Sections 75 and 76 of the Act.
 Bursa Securities had vide its letter dated 23 December 2021 granted an extension of the enhanced general mandate, amongst others, listed issuers will have up to 31 December 2022 to issue new securities under Paragraph 6.03 of the MMLR of not more than twenty per centum (20%) of the total number of issued shares for issue of new securities ("**20% General Mandate**"), provided that the following are being complied with:-
 - procure shareholders' approval for the 20% General Mandate at a general meeting;
 - complies with all relevant applicable legal requirements, including its Constitution or relevant constituent document; and
 - continues to comply with all other requirements for new issue of securities under the MMLR.
 This 20% General Mandate may be utilised by the Company to issue new securities until 31 December 2022 and thereafter, the 10% general mandate pursuant to paragraph 6.03 of the MMLR will be reinstated unless extended by Bursa Securities pursuant to their letter dated 23 December 2021.
 The Board, having considered the current and prospective financial position, needs and capacity of the Group, is of the opinion that this 20% General Mandate is in the best interests of the Company and its shareholders.
 The mandate, if passed, will provide flexibility for the Company and empower the Directors to allot and issue new shares speedily in the Company up to an amount not exceeding in total 20% of the total number of issued shares (excluding treasury shares) of the Company for such purposes as the Directors consider would be in the interest of the Company. This would eliminate any delay arising from and cost involved in convening a general meeting to obtain approval of the shareholders for such issuance of shares. This authority, unless revoked or varied by the Company at a general meeting, will expire at the next AGM.
 This authority will provide flexibility to the Company for any possible fundraising activities, including but not limited to further placing of shares, for purposes of funding investment project(s), working capital and/or acquisition.
